

JOIN OUR DYNAMIC TEAM!

EXCITING OPENINGS FOR CHARTERED ACCOUNTANTS AT TATA PROJECTS LIMITED

About Us

Tata Projects Limited is a front runner in Sustainable Technology-led Engineering, Procurement, and Construction (EPC) in India. Renowned for our sustainable solutions in urban and industrial infrastructure, we excel in executing complex projects across refineries, petrochemical plants, and more. Our expertise spans clean energy solutions, refineries, green fuels, roadways, bridges, integrated rail and metro systems, commercial buildings, airports, power generation, transmission and distribution systems, chemical process plants, water and waste management, and mining and metal purification systems.

As part of the prestigious TATA Group, operating in over 100 countries, our mission is to improve the quality of life globally through sustainable stakeholder value creation, driven by Leadership with Trust. Our comprehensive services cover the entire project lifecycle—conceptualization, engineering, procurement, construction, commissioning, operations, maintenance, and shutdown services. Our innovative technology solutions and commitment to safety and quality have garnered numerous awards and recognitions over the years.

Join us at Tata Projects Limited and be a part of a team that's building a sustainable future!
