ABOUT THE CONFERENCE

The conference aims to provide insights into the emerging trends, opportunities, and challenges brought about by digital transformations and explore the path to a technologically empowered future. It will feature distinguished speakers who are experts in their respective fields and will share their knowledge and experiences.

Join us for a two-day conference that delves into the world of digital transformations and their influence on the future of business. Discover how cutting-edge technologies are revolutionizing industries, empowering professionals, and reshaping the way we work. Engage with industry leaders, experts, and visionaries as they share their insights on the latest trends, best practices, and strategies to navigate the digital landscape successfully.

ICAI PRESENCE

Headquarter	5 Regional Offices	Branch Offices	Overseas
New Delhi	Mumbai, Chennai, Kolkata, Kanpur, New Delhi	168 Branches spread all over the country	44 Chapters 33 Representative Offices in 47 Countries

In addition to be an IFAC founding member, ICAI is a member of Confederation of Asian and Pacific Accountants (CAPA) and the South Asian Federation of Accountants (SAFA).

ABOUT DIGITAL ACCOUNTING & ASSURANCE BOARD

Strengthening the role of Chartered Accountants as information governance, control, security, and audit professionals, ICAI formed Digital Accounting and Assurance Board (DAAB) as a Non-Standing Committee of ICAI. The thrust areas of the Digital Accounting and Assurance Board include imparting of knowledge by way of Conducting Post Qualification Course on Information Systems Audit, Certificate Course on Forensic Accounting & Fraud Detection, Training programmes on Blockchain, Artificial Intelligence, Data Analytics, Cyber Security, Publications and Seminars/Conferences /Workshops/Programmes etc.

DAAB, ICAI is the first body in the world to release the detailed Forensic Accounting and Investigation Standards (FAIS), which will help professionals contribute effectively to judicial proceedings of forensic investigations as an expert.

ICAI, in 2022, hosted the 21st World Congress of Accountants in a magnificent manner. Taking its success forward, ICAI through its 1st ever “Global Professional Accountants Convention” (GloPAC) aims to provide events of such grandeur where global accountancy community can stay connected and ahead of the ever-changing dynamics of the world.

The convention aims to bring together stake holders such as thinkers, policy makers, standard setters, industry & commerce groups and financial institutions from across the world to ponder upon and debate on the current issues and future trends concerning the accountancy profession.

The GloPAC is a ‘Window to Future’ to understand and acclimatize to the unseen forces in the global economy and regulatory landscape. The exchange of ideas and deliberations through the leaders would provide an indicative roadmap for development of professional accountants.
